Main text of the abstract should be written with font 12, Times New Roman. No indent of the paragraph. The references should be noted as the following example [1]. The figures in the abstract are allowed if they fit into one page limit and should be referred in the text accordingly (figure 1). One space before and after the figure is required.

The limit for your abstract is one page. Abstracts that do not meet these formatting requirements will be returned. The organizing committee reserves the right to edit abstracts for clarity or correctness of English, but will consult the author if any significant changes are needed.
